

# GROWING *Tomorrow's* LEADERS

Geneva Academy's 5th Annual Dinner & Auction will take place February 25th, 2017, in the Danny Lang Event Center at beautiful Umpqua Community College.

Geneva Academy is the only Classical Christian school in southern Oregon. Classical Christian schools like ours are growing rapidly around the country; many families seek out this distinctive approach to schooling when they find themselves moving to a new area! It is truly an asset to our beautiful Umpqua Valley to offer something so unique ~ we are one of three in Oregon, located right here in Roseburg!

Our learning environment cultivates exemplary citizenship and teaches students to be articulate and wise. Our mission is to train fearless, creative, resourceful thinkers who are undaunted by hard work and real-world challenges.

***Celebrating Five Big Years!*** In 2012 we had 44 students — we have nearly tripled in size with enrollment now at 120! Funds raised at this year's benefit auction will be used to provide tuition assistance to qualified families and to equip the classrooms. We are entirely privately funded. Proceeds from our benefit auction make a Geneva education accessible to more families in Douglas County.

This year's event will include a great dinner, silent and oral auctions, and opportunities to learn more about us. We are looking for partners who want to build the future of our community through our unique approach in educating the next generation of youth in Douglas County.

## ***Will you join us as we invest in our community's next generation?***

Geneva is accepting donations of goods and services to be auctioned at our benefit event and would appreciate your generous support! In return, your business will be recognized as a Supporter, one of our key partner levels of Growing Tomorrow's Leaders.
