Monthly tuition payments are due on the first and payable until the fifteenth of the month, beginning in July and continuing through June. There are three options: a 10-month plan ending in April 2026, a 12-month plan ending in June 2026, or a one lump sum payment plan due July 1, 2025. The lump sum payment plan results in a 3% discount. Late payments will be assessed a 2% per month penalty or incur a \$25 late fee per month, whichever is greater. Payments will be scheduled with FACTS.

Application Fee: Applications must be submitted online. Applications are not complete in the system until the application fee is paid. The fee is \$50 per application.

Enrollment Fee: A non-refundable enrollment fee is due at the time of acceptance or re-enrollment. Until April 1st the enrollment fee is \$150 per student, with a family maximum of \$450. After April 1st, the fee increases to \$200 per student, with a family maximum of \$600. *However, after May 15th, the enrollment fee increases to \$250 per student and there is no family maximum.* Families are thus encouraged to enroll early!

Late Entry Fee: Enrollment after September 14th will incur a \$250 fee to cover extra time/expenses in helping a student catch up to a class already in progress.

Testing Fee/Activity Fee: A \$100 combined Testing Fee (\$50) and Activity Fee (\$50) for all students in grades 1st-10th is due by September 1st. No testing fees are required for students in grades K3-K5 or 11th & 12th, so just an Activity fee of \$50 is due by September 1st. Fees are billed via FACTS incidental billing.

School Supplies: No additional fee is assessed for school supplies. Parents are not required to purchase classroom supplies from a published list. Instead, each teacher will have a short list of items students should have on hand for personal use.

Family Discounts: Families enrolling two or more children will receive 7% off the second child's tuition, 10% off the third child's tuition and 12% off the fourth child's tuition (oldest child is always considered the first student).

Full Time Ministry Discount: Discounts are available for the children of those serving the Lord in full time ministry. Eligibility for this discount will be determined by the Head of School. Please call the school for more information.

Tuition Assistance: Geneva Academy has always provided Tuition Assistance to families. It is made possible by donations to Geneva Academy for that purpose. The school distributes 100% of those charitable gifts to families that apply for financial help. There are two programs: Regular Tuition Assistance and Expanded Tuition Assistance. Please see the document "A Summary of Tuition Assistance" for more information.

Early Withdrawal Fee: When families enroll a child, they commit to pay the expenses of the student for the full year. At the same time, the school commits resources (teacher salaries, supplies, etc.) to teach that same child. The school plans and allocates funds based on enrollment. *When parents withdraw a student early, it breaks their commitment and introduces a financial challenge to the school, which must still meet its obligations.* Therefore, an Early Withdrawal ("EW") Fee will apply to students withdrawn early. Past due accounts must be made current to the time of withdrawal, and then the fee will be applied. Please refer to the document "Early Withdrawal Fee Policy" for details and exceptions.
