

GENEVA ACADEMY
Distinctive Classical Christian Learning

Uniform Guide

2026-2027

GENEVAACADEMYDRESS & UNIFORM CODE

Beauty

One of the tenets of a classical and Christian learning environment is that all that we endeavor to do is focused on revealing *Truth, Beauty and Goodness* unto the Glory of God, our Creator, Designer, Teacher and Lord.

Uniforms are important to classical & Christian education because they are part of creating a school culture of Beauty by fostering:

- mental & physical preparation for the vocation of “student”
- focus on first things first
- excellence in work ethic
- self-discipline
- academic success
- neatness & modesty

Special places have special rules & etiquette.

Our uniform policy is meant to *REVEAL* Beauty, not to stifle it.

Whether it's music, art, sports, or academics, Geneva Academy allows students to express and define themselves beyond their clothing labels and fashion styles. A unique individual is developed not from appearance, but rather, character, personality and skills. The students of Geneva Academy belong to a community with a common purpose. Just as those in the military, on a sports team, and professionals in service careers also dress in uniform, our students are *set apart* for their common goal: *to Learn & to Learn to LOVE what's beautiful, true and good.*

Our vision and mission is to train up students who are first Christians and cultivate in them rightly ordered affections or *LOVES*: love God first and then our neighbor.

In many respects, the uniform is the face of Geneva Academy. 1 Corinthians 10:31 states, *“Whether you eat or drink or whatever you do, do it all for the glory of God.”* We believe this principle applies to dress. Geneva Academy students represent the school, their families, themselves and the Lord God; their appearance should reflect that.

American culture is known for its emphasis on individuality and personal comforts. Geneva Academy acknowledges that these impulses may make adhering to the Dress and Uniform Code a challenge within some households. Nevertheless, for the reasons stated above, all parents are asked to ensure in their children outward compliance and inward acceptance of the standards.

Geneva Closet	FREE!	gently used uniforms - no cost	Check Calendar on Family Portal
1257 Boutique		dccustomswag.com/collections/geneva	Local Embroidery for Polos

Lands End offers promotions in July and December! Keep these months in mind for your growing children. When signing into the Geneva Academy vendor sites, you will see the approved dress code items available in Geneva's custom store. Do not order outside of those items.

We understand that not all styles will fit all children, so there is a variety of styles & price ranges from which to choose. It is recommended to size up when in doubt and use a local tailor to ensure proper custom fit if you have difficulty sizing approved vendor styles to your child.

GENEVA CLOSET

Many families have donated used uniform clothing in good to excellent condition to the school. The clothing is available at no cost. Families are encouraged to take advantage of this resource. For dates and times Geneva Closet is open, view the Calendar on Family Portal.

GENEVA ACADEMY UNIFORM POLICY: SECTION I ~ GENERAL GUIDELINES

A. GENERAL APPEARANCE ~ REQUIRED & ENFORCED

1. School uniforms should fit the child properly and modestly.
2. They should be kept free of stains, holes, tears, etc.
3. Items that have faded or become damaged should be discarded.
4. All clothing should be labeled with the student's name.
5. For both boys and girls, blouses and shirts must be tucked in at all times.

B. EXCEPTIONS

Exceptions to the dress code policy can only be made with approval by the Headmaster or administration.

C. VIOLATIONS

Beginning two weeks after the first day of school, a student coming to school with an incomplete or non-compliant uniform will receive a violation notice. The notice will be sent home to the parents, stating the specific violation. Parents will be required to sign the notice and return it to the student's teacher. Upon the fifth and subsequent dress code violations, parents may be required to bring the correct uniform item(s) to school and a parent conference may be necessary. If parents are not available to bring required uniform item, the student may be asked to wear items available in the office.

D. FIELD TRIPS

Teachers are instructed to specify attire tailored for the off-campus activity. Default is to wear the uniform required for that day of the week, if not specified.

E. EXTRA-CURRICULAR ACTIVITIES

Extra-curricular attire worn on campus should follow similar guidelines of length and coverage while on school grounds. If going directly to your activity from campus, plan your change of clothing accordingly. E.g. Use cover-ups or warm-up apparel over leotards, tunics or shorts over leggings, etc.

F. CLASSROOM WARMTH

Sweaters with Geneva logo are an available Uniform item. Jackets are not allowed for classroom warmth. No exceptions. Ladies may wear tights for warmth, leggings are not allowed.

G. JEWELRY & TATTOOS

- Girls' jewelry will be limited to: a single necklace with a pendant that is no longer than 1 inch, one pair of earrings no larger than ½ inch below the earlobe in length (all earrings need to be secured with a backing or have a secure hoop latch); a single ½ inch or smaller bracelet, or watch. If any jewelry becomes a distraction to its wearer, it will no longer be permitted. No wristbands or armbands. No anti-Christian religious jewelry is allowed.
- Boys' jewelry will be limited to: a single necklace under their shirt with a pendant that is no longer than 1 inch; a single bracelet of no larger than ½ inch (no wristbands or armbands), a simple tasteful ring, or a watch. No jewelry with skulls or demonic symbols will be allowed.
- No visible permanent or temporary tattoos. Tattoos must be covered by Uniform clothing, including PE attire.

H. HAIR & HAIR ACCESSORIES

Since one goal of a uniform is to help students focus on what they are learning and not on what they are wearing, allowable accessories are limited to prevent distraction.

- Girls may wear hair accessories in solid Geneva Academy colors or Geneva's plaid. Embellishments on hair accessories (such as flowers or bows) must be less than 4 inches. Special Geneva hair ribbons & bows are available for sale in the school office. Feathers or hair inserts are not allowed.
- To maintain a neat, respectful, and uniform appearance, students with braided hairstyles are permitted to wear beads preferably in the school's official colors: navy, burgundy, or white, but other neutral colors are allowed. The beads are intended to help maintain the braids and ensure their longevity. However, it is important that these beads do not become a distraction in the classroom or school environment.
- Hair should be in the spectrum of natural hues, should be neatly combed, and should not obscure the eyebrows.
- For both boys & girls, extreme haircuts or styles that flaunt convention that draw unnecessary attention to students & are not appropriate include: mohawks; shaved styles on girls; excessively short hair on girls; or excessively long hair on boys.
- Boys' hair should not cover the collar, and no facial hair is allowed.

GENEVA ACADEMY UNIFORM POLICY: SECTION II ~ YOUNG LADIES & YOUNG MEN

A. PUTTING ON THE UNIFORM

Students of Geneva Academy belong to a community with a common purpose. Just as those in the military, on a sports team, and professionals in service careers also dress in uniform, our students are *set apart* for their common goal: to Learn & to Learn to LOVE what's beautiful, true and good. Students should dress for their day ahead with a joyful intentionality & sense of belonging, ready:

1. Mentally & physically prepared for the vocation of "student"
2. To focus on first things first, to work hard, to practice self-discipline, to strive for academic success
3. To practice neatness & modesty

Students should understand that getting ready for the work of their day, putting on their Geneva Academy uniform is part of a remarkably beautiful, daily contribution to school pride and giving glory to God.

B. MEN'S ATTIRE

1. Young men should choose clothing that is classic, not trendy.
2. Shirts & Blazers, and slacks should be ironed and wrinkle-free.
3. Undershirts should not be visible beneath shirts. Shirts should be tucked in. No long-sleeved shirts under polos.
4. Shoes should be clean. Black shoes with black soles only. Black belt should be in good shape.
5. Wear the correct color of socks. Black socks for everything. Wear white or black socks for PE.

C. LADIES ATTIRE

1. Young ladies should choose clothing that adorns feminine lines without being tight or revealing. Clothing should be classic, not trendy.
2. Permissible hemlines for skirts and jumpers start at the mid-knee and may go as low as the mid-calf. When seated, the hem should be within three inches from top of knee cap.
3. Polos & Blouses should be ironed & wrinkle-free. Blouse tails must be covered or tucked.
4. Button placket of blouses should lay flat, with no gaping between buttons. Blouses and sweaters are to be professional-looking,

non-sheer, with modest neckline: first button below the collar is to be buttoned; no lower than 4 fingers below the collar bone for v-neck, no lower than two fingers below collar bone for scoop neck.

5. Nude or White camisoles are required for ladies wearing skirts and required under blouses for modesty. All undergarments should be worn in light colors that are least visible under clothing, avoiding dark colors.
6. Men's ties and visible camisoles are not permitted.
7. Skirts are to be professional-looking, non-sheer. No skin should be exposed between waistband and blouse.
8. Knee socks or tights are always required, no bare legs.
9. Uniform items available from our vendors fall within these guidelines. If you find your typical sizing isn't working, size up and tailor to fit.

D. MAKEUP, NAILS

E. Grammar school girls should not wear make-up or nail polish. If they do, they will be asked to remove it. Logic and Rhetoric girls may wear make-up that appears natural and kept to a modest minimum. Bright shades of lipstick or heavy eye make-up will not be allowed. Boys should not wear makeup.

F. Logic and Rhetoric girls may wear artificial nails no longer than 1/4" past fingertip (short enough to avoid noise or disruption), natural shapes only: oval, squoval, or short square. NO stiletto, coffin, or almond. Colors: neutral, clear, French manicure. Fingernail polish will be limited to a single solid color in pastel shades or clear. No bright colors, neon, or dark shades. No glitter, gems, decals, or intricate patterns. Nails must be clean, intact, and free of chips. Acrylic/gels must look natural. Color/design exceptions for formals can be submitted to the Principal for approval.

Purchase from The 1257 Boutique or School Office
May be worn in the classroom after Christmas Break until Spring Break

DRESS CODE & UNIFORM FAQ'S

I sometimes find colors close to white, and burgundy, such as beige, cream, and red. Are these OK? *No, please only send your child to school in specified colors.*

My child is cold during the day. May I send him in with a sweater? *Inside the classroom students may only wear the burgundy or navy Uniform Sweater (required for each student) or the burgundy or navy sweater vest (optional) with the Geneva logo. Other sweaters and jackets are only allowed outside the classroom during recess.*

Are there requirements for outdoor coats and jackets? *No, children may wear outdoor coats and jackets of your choosing. They may not be worn inside the classroom, however. Please note that optional Geneva fleece jackets or sweatshirts are NOT approved for indoor wear (no exceptions). If students need an additional layer for warmth indoors they must wear a uniform sweater.*

What if my daughter is cold in the winter, can they wear leggings under their skirt or jumper? *No. The uniform is long bike shorts and either knee high socks or tights. Lined tights can be purchased for colder seasons. Leggings are not allowed for warmth.*

On P.E. days, what shoes should my grammar level child wear? *On P.E. days, students have a choice of wearing their everyday shoes, or a pair of plain style athletic shoes. Please find athletic shoes without bright colors, flashy logos, or other design features that are showy or flashy.*

My son comes home everyday with school shoes muddy or grassy from recess time. What can be done? *Students are welcome to leave their P.E. shoes at school for use at recess on non-P.E. days.*

Do I have to buy all clothes new and at the vendors listed? *Every year Geneva Academy's collection of gently used uniforms grows. The Geneva Closet is available for all families & is an economical choice. Pre-owned clothing is free of charge, and families are encouraged to take every item that may be of use that year. For new clothes, you must use the vendors listed. The vendors were chosen on the basis of price range and quality.*

We're having difficulty finding the right fit for my child from the listed vendors. What can we do? *We recognize that children grow at different rates and sometimes there truly is no good fit found amongst the selected vendors. In those cases, parents may hunt for new sources of attire that are in keeping with the dress code. Parents are asked to contact the school office first, however, so that the exceptions can be noted and information gathered for future changes and/or expansions in the dress code or vendor list. Custom tailoring is also an option. Please call the office.*

Acquaintances sometimes make comments suggesting uniforms are a sign of being prideful. How should I respond?

Read the introduction to this guide ~ Uniforms are meant to be worn by students to intentionally create a sense of focusing on first things first: mental & physical preparation for the vocation of "student." Secondly, those comments may mask the real question, which might be "Isn't that elitist?" or "Are you telling me what's good for my child isn't good enough for yours?" or even "Who do you think you are to send your child to private school?" Uniforms promote better concentration on academics and improved school pride (the good kind of pride). This has been shown to be true even in inner city public schools. As to attendance at a private Christian school, parents might answer that bringing up children in the "training and admonition of the Lord" (Ephesians 6) is a responsibility they are taking very seriously, and partnering with Geneva is part of their strategy to obey that command.
